**INFORSE SUSWATCH INSEDA
SIDE EVENT**

Date: November 9, 2017

Time: 16:45 - 18:15, Room: 4

Title: Proposing stronger NDCs, LEDS & Paris Rulebook for Poverty Reduction and Local Village Development

Stronger NDCs & LEDS that include local low emission solutions to increase energy access and improve livelihoods to reduce poverty. We will showcase village based solutions from South Asia and East Africa and how NDCs & LEDS can promote these solutions, how a good Paris Rulebook can facilitate this.

The Side Event is organised by INFORSE together with the members from East Africa, South Asia, and Europe: INSEDA & WAFD, Grameen Shakti, IDEA, CRT-N, DIB, VE/SE, TaTEDO, UCSD in cooperation with Suswatch and CAN-South Asia.
